**Ref:** 1.Your letter No. PSTRPL/1001/14-15/3284, dated 26.11.2014  
2.Our letter No. AA/PSTRPL/14-15/506, dated 10.12.2014

Dear Sir,

In response to your request, the factory of M/s CTM Geo synthetics at Ahmadabad was visited on 16.01.2015 by Mr. I. Imam, our Senior Quality Material Engineer. During inspection, the Manufacturing Process and in house quality assurance Process therein to maintain consistency in Product quality were found in order.

We are therefore pleased to inform you that your request for source approval is accepted.

Please be advised that it is mandatory to conduct the third party test of the material (from site stock) by an NABL approved laboratory and submit the report for IE's review, before use in the Project.

With Best Regards,  
for Aarvee Associates Architects Engineers and Consultants Pvt. Ltd.,

**TO WHOMSOEVER IT MAY CONCERN**

This is to certify that we have purchased 1,55,100 M<sup>2</sup> of Polyester Geogrids ranging from 40KN/m Strength to 100KN/M Strength from M/s CTM Geosynthetics, to be used in construction of RE walls to be constructed by us at at NHAI Six laning project of M/s Isolux Corsan India at Aurangabad, Bihar section of NH-2.

The material was delivered to us well in time along with the test reports required by us.

We find the quality of material and services to be Good.

This certificate is issued on the request of M/s CTM Geosynthetics for the purpose of pre-qualification in other projects.

Your's Sincerely

**Rajeev Agarwal**  
Director
