Sub: Independent Engineer Services for Six laning of Pune-Satara section of NH4 from km 725.000 to km 865.350(length km 140.350) in the state of Maharashtra to be executed as BOT (TOLL) on DBFOT pattern under NHDP phase V–**Source approval of Geogrid of M/s CTM Geosynthetics for use in Reinforced Earth wall construction -Reg.**

Ref: 1.Your letter No. PSTRPL/1001/14-15/3284, dated 26.11.2014
2.Our letter No. AA/PSTRPL/14-15/506, dated 10.12.2014

Dear Sir,

In response to your request, the factory of M/s CTM Geo synthetics at Ahmadabad was visited on 16.01.2015 by Mr. I. Imam, our Senior Quality Material Engineer. During inspection, the Manufacturing Process and in house quality assurance Process therein to maintain consistency in Product quality were found in order.

We are therefore pleased to inform you that your request for source approval is accepted.

Please be advised that it is mandatory to conduct the third party test of the material (from site stock) by an NABL approved laboratory and submit the report for IE's review, before use in the Project.

With Best Regards,

CC : GM (Tech) & Project Director, NHAI, PIU Pune for information.
